**About us:** Established in 1920, the League of Women Voters (LWV) is one of the nation's most respected grassroots organizations. We explore issues from many points of view and take action on issues affecting our families and communities. The LWV is a non-partisan political organization that encourages informed and active participation in government, works to increase understanding of major policy issues, and influences public policy through education and advocacy. The League of Women Voters does not support or oppose any political party or any candidate. Membership in the LWV of East Alabama includes memberships in the LWV of Alabama and the LWV of the United States. Membership is open to all.

**How else can you help?** Consider a tax-deductible donation to directly support our Voter Services projects by contributing to the LWV Education Fund (a 501(c)(3) entity). Just send a separate check payable to "LWV Ed Fund" to Treasurer Kristen De La Fuente at the above address. **THANK YOU!**
